

## Newton Girls Soccer

Est. 1977

We emphasize fun, skills development, teamwork and sportsmanship -- all at a level that fits a player's interest and ability.

**Please evaluate your coach.  
Your feedback makes a difference!**

To the Parents of Fall 2018 Players:

Newton Girls Soccer strives to provide your daughter with the best possible soccer experience. **It is important that we hear from parents and players about coach performance, so each season we distribute an evaluation form to gather feedback.** This season, the evaluation questions again reflect our player-centered approach by capturing our players' perspectives. Before submitting the evaluation form, please take a minute to gather your daughter's feelings about her coach by asking her to complete the following sentences:

- One thing I really like about my coach is...
- One thing that my coach can do differently to make the spring season more FUN is...

The evaluation form will take less than 5 minutes to complete. Please complete one form for each coach or assistant coach. Only the Director of Coaching and the Program Chairs will review your response. Anonymous, aggregate feedback may be shared with Coaches. When we share feedback with our coaches, we ensure that it is never attributed to a parent or player so please be open and honest. Your collective feedback will

- highlight areas of growth for our hard-working, volunteer coaches,
- help us to develop and to improve the NGS coach education program,
- add valuable information to the Spring 2019 coach selection process, and
- help us to run a FUN program that keeps players interested in and committed to youth soccer.

**Please submit the form no later than November 15.** Questions or technical Issues may be directed to Marysol Masse-Makimura, [registrar@newtongirlssoccer.org](mailto:registrar@newtongirlssoccer.org).

Thank you!
